Lokappa and others will be present. Also, there will be vachana gayana by Choodamani.

EDITOR'S BOTTOMLINE

Fortunately we have not reached the stage where criticism is considered anti-national. But sometimes we seem pretty close to that. Consider Home Minister Amit Shah's thesis that India has seen a cultural revival since 2014 when Sri Modi took the top post. 'Culture' is a concept that can be seen and interpreted in any number of ways to suit the 'culture' of the individual who is interpreting it. So the cultural revival Shah talks about is the culture that he accepts as culture. Is that the same culture that Rahul Gandhi or Mamata Banerjee or M.K. Stalin, indeed the people in general, will recognise as culture?

India is a big country. There is no one-sided culture even a strong Home Minister can impose on the North and the East and the West and the South of India. The inability to understand this truth about India — the inability to understand that the cultural diversity of India is its strength — is the reason why men like Amit Shah, will never find all-India acceptance. They can make people afraid of them, but they cannot make people see them as leaders the country can benefit from.

If anything is sure in this life, it is that India will go on being India with the richness of its heterogeneity. Prime Ministers may come and go, Home Ministers may say this and that, but the essence of India will go on, unaffected by the manipulations of power-seekers. Ours is a truly great country. Ours is a truly great culture. We will remain great irrespective of small men who think that power will hide their smallness.

Fav sneakers permanently tattooed on feet

Manchester: Tired of paying for a new pairs of gym sneakers, a UK man had his favourite pair of Nikes permanently tattooed onto his feet.

Dean Gunther, a popular tattoo artist from Manchester, in the United Kingdom, recently went viral on social media after sharing a short video of himself tattooing a pair of sneakers onto a client's feet. Although drawn exclusively by hand, seen from a certain angle, the design really does create the illusion that the person is wearing a pair Vibram Five Fingers sneakers with built-in toe slots. The man apparently prefers Nike, but they don't make that design, so...

Gunther said that the hardest part was drawing the sneakers by hand, as using a stencil was out of the question. He viewed a 360 rendition of the sneakers and then spent a couple of hours freehanding the design onto the client's feet. The tattooing took another 8 hours to complete.

82-year-old woman runs 78 miles, sets world record

Val d'Oise: An 82-year-old great-grandmother from Val d'Oise in France by the name Barbara Humbert, recently set a new world record after running a whopping 125 km (78 miles) in 24 hours.

During the French Championships held in Brive-la-Gaillarde, 82-year-old Barbara Humbert broke the world record for the longest distance run in 24 hours for her age category. A German woman had run 105 kilometres (65.2 miles) on tarmac a few years back, and Barbara had her sights on improving that record by about 15 kilometres. She exceeded her own expectations, though, smashing through the old world record with a recorded distance of 125 kilometres covered in 24 hours.

City Sub-Registrar Offices to digitise deeds and documents

Tenders on to begin process at Mysuru South, Mysuru North Offices

Mysuru / Bengaluru, June 17 (RK&BCT)- Making property records, deeds and documents available to all, to contain or check property fraud, is one of the key objectives of the Government. The intention of the Government is to computerise all land records, including mutations, improve transparency in the land record maintenance system, digitise maps and surveys, update all settlement records and minimise the scope of land disputes.

Digitisation would provide clear titles of land ownership that could be monitored easily by Government officials, to facilitate quicker transactions. Moreover, digitisation is an effective means to prevent fraud.

As a step in the direction of digitisation, all the property records of Mysuru North and Mysuru South Sub-Registrar Offices will be digitised. These two offices figure among the list of 29 Sub-Registrar Offices that the State Government has chosen to digitise property records.

The 29 offices have been chosen for the project that was announced in the State Budget presented by CM Basavaraj Bommai. Under the project, all existing property records up to 2004 will be scanned and digitised and a budget of Rs. 10 crore has been sanctioned.

Notably, all the property records in Karnataka from 2003 such as Encumbrance Certificates (ECs), are already available in digital format.

Pourakarmikas to stage stir from July 1 till demands are met

Mysuru, June 17 (PM&KS)- Demanding regularisation of jobs of direct payment pourakarmikas, UGD Assistants and drivers of garbage transport vehicles, members of Karnataka State City Corporation, City Municipal Council, Town Municipal Council Pourakarmika Association will stage an indefinite protest in front of all Urban Local Bodies (ULBs) in the State from July 1.

Disclosing this at a press meet held at Patrakarthara Bhavan here yesterday, Association President N. Mara said that over 38,400 pourakarmikas including 2,044 in Mysuru will stage protests from July 1.

Pointing out that the Association members will stage protests after suspending all UGD, cleaning, garbage collection and other works to exert pressure on the Government, Mara said that all 2,044 contract Pourakarmikas in Mysuru will take part in the protest.

Permanent Pourakarmikas will join the protest from the fourth day of the stir if the Chief Minister fails to respond to the protestors within the first three days of the protest, he added.

MCC Permanent Pourakarmikas and Contract Pourakarmikas Mahasangha President N. Mohankumar, General Secretaries T. Srinivas and C.R. Rachaiah, District President Cheluvaraju and others were present at the press meet.

Man killed, son seriously injured in wild elephant attack near Gundlupet

Gundlupet, June 17 (SOMG&KS)- A 65-year-old man was killed while his son suffered serious injuries when a wild elephant attacked them when they were guarding their crops at Shivapura village in the taluk yesterday early morning.

Bellishetty

The deceased has been identified as Bellishetty, a resident of Shivapura village while his injured son is Mahesh, who has been admitted to a hospital.

It is learnt that the wild elephant, after destroying the solar fence at Kundakere Forest area, entered a village and villagers of Hundipura with the help of Forest staff managed to drive the elephant from the village which then fled towards Shivapura village.

Bandipur Project Tiger Director Dr. Ramesh Kumar handing over the compensation cheque of Rs. 2 lakh to one of the family members of deceased Bellishetty as Dy.SP Priyadarshini and others look on.

The wild elephant then entered an agricultural field where Bellishetty had erected a temporary tent like structure and was staying in it along with his son Mahesh to guard groundnut crops. The wild elephant destroyed the tent and attacked Bellishetty and Mahesh, killing Bellishetty and seriously injuring Mahesh on his shoulders before fleeing from the spot.

Meanwhile, farmers of neighbouring fields rushed to the spot on hearing the news and expressed anger on the Forest Department. They said that wild elephants have been straying out from Bandipur Reserve Forest since a month and have been destroying standing crops besides attacking villagers. The villagers shouted slogans against the Forest Department for not taking any steps to prevent wild jumbos from entering human habitat.

The villagers said that in recent days, the menace of wild elephants had increased in the surroundings of Hundipura village and though the Forest officials knew about it, they had not taken any preventive steps in this regard. They demanded higher officials from the Forest Department to come to the spot and take steps to provide compensation to the deceased Bellishetty family members immediately.

Bandipur Project Tiger Director Dr. Ramesh Kumar and Dy.SP Priyadarshini, who visited the spot, spoke with the protesting villagers and Dr. Ramesh Kumar handed over a compensation cheque for Rs. 2 lakh to the family members of deceased Bellishetty and assured of providing the remaining Rs. 3.5 lakh compensation at the earliest.

VOICE OF THE READER

Disband the so-called Heritage Committee

Sir,

This refers to the news item titled ***"Heritage Arch Gate of Government Guest House is tottering, Wake up MCC"*** in *Star of Mysore* dated June 15. I commend *SOM* for directly approaching the Ward 27 Corporator. Where is the so-called Heritage Committee that only makes a show of its concern for heritage structure when the structure collapses? This Committee must be disbanded and qualified people who are not political and have a genuine desire to ensure Mysuru retain its heritage status and is clean and well-managed, be appointed.

I often see the Mysuru City Corporation *Instagram* page flooded with photos of our Commissioner's daily visits to various localities. But no results of the visits are known.

We as tax-payers must ensure that the people whose salaries are paid by tax-payers do what they are appointed to do and not just enjoy photo ops.

—George Rego

Mysuru 16.6.2022

NOTE: *NGO's intention to protect heritage structures like the Arch Gate is commendable, but sadly they do not look at the structure after the authorities yield to NGO's demand. As a result, the structure will collapse sooner or later after remaining for a few years as an eyesore.*—**Ed**

Sub-Registrar Offices to digitise

(Continued from page 3)

Awaiting directive: In Mysuru, the Mysuru North Sub-Registrar Office is located at Mini Vidhana Soudha and the Mysuru South Sub-Registrar Office is located at Ramakrishnanagar. Speaking to *Star of Mysore*, Mysuru North Sub-Registrar Kiran said that the communication from the Government to digitise land records has not reached them yet. "So far we have no communication regarding that and if the North Sub-Registrar Office indeed figures among the 29 Offices, then the Government order will be implemented after going through the procedure," he said.

Mysuru South Sub-Registrar Yashaswini Janardhan too said that the communication from the Government is yet to reach them. Sources said that there are 12 crore pages of legacy records spread across 253 Sub-Registrar Offices in Karnataka and Karnataka was the first State in India to computerise land records, under the 'Bhoomi Project'.

A complete computerised compilation of land data, starting from the original owner to the present status of the land, including an image of the property and the landowner for identification purposes, will reveal the total area of land owned by a person.

Process involved: Once the legacy land records are identified, all the handwritten records that are stored in large volumes at the 29 Sub-Registrar Offices will be digitised and the process starts with scanning of the documents. After scanning, the metadata will be entered and uploaded onto the website so that whoever searches for the records in the relevant platforms can electronically access them. Later, the digital land record database will be synced with the digitised land registration database, sources added.

The tender process to digitise property records is underway and sources said that the oldest living property record belongs to the erstwhile Princely State of Mysore. Transparency through digitisation will make it difficult for the property owners to evade taxes and at the same time, it will enable transactions that are transparent. Digitisation will offer the correct details of the owner of a particular property and the buyer can also check if the land is under litigation.

Restoring Chamundi Hill Landslides

Eight months on, PWD awaits fund clearance

Fresh cracks appear on road owing to heavy rains

Mysuru, June 17 (RK&BCT)- Nearly eight months after the fourth massive landslide atop Chamundi Hill, the Public Works Department (PWD), which has the responsibility of reconstructing the collapsed portion and building a retaining wall to prevent further damages, is awaiting fund clearance from the Finance Department.

A budget of Rs. 9.96 crore has been allocated and tenders have been issued. But the proposal is pending before the Finance Department which is yet to give green signal to the project. PWD Assistant Executive Engineer Raju told *Star of Mysore* this morning that the proposal is pending before the Government.

"Approval is likely to come in a fortnight or so and we will start the works soon," he said.

By the time PWD begins work, the monsoon will set in and the Department has no answers on how it is going to take up works amidst rains. The first landslide occurred on the night of Oct. 20, 2021 and subsequently, three more landslips occurred, the last one being on Nov. 18. These landslides have resulted in forming of huge craters with the old retaining wall crashing, forming a deep muddy slope.

After the first or second collapse, the officials stated that the rain should stop to take up repair works. However, even after the rain gave a break for over two months, the works did not start as the Finance Department did not give approval. Now if the works start amidst rain, how the officials will ensure quality works is a million-dollar question.

Meanwhile, even before the onset of the monsoon, the road leading to the Nandi Statue atop the Hill has developed new cracks in some places, triggering fear of more landslides. Assistant Executive Engineer Raju said that all the repairs will be taken up in a comprehensive manner. "We cannot do patch work here and as it is raining heavily, cracks do occur as water seeps through the soil continuously. The rains have to stop completely for the works to begin," he added. After the initial landslides, scientists from the Indian Institute of Science (IISc) submitted a report after studying the pattern of the landslides, soil and other factors.

IISc scientists suggested 'reinforced earth steepened slope structure wall' technique to restore the damaged areas. The scientists studied the landslide pattern and took samples from faults, joints and bedding surfaces, which are contact points between rock and soil and contribute to landslides.

Motorable road not advisable

Mysuru, June 17- It is safe and best to abandon the road leading to Nandi Statue from the main View Point junction as that road seems beyond repair and stability, according to some engineers.

The road is built on a very sharp and fragile slope which may not withstand the heavy torrential rains leading to landslides all along the lower side of the road and at vulnerable points above the road.

It is said the cost of constructing the retention walls would be very high compared to the use of the road by motorists.

Is it worth the cost and will any repair work or construction of the retention walls last for long, is the question from the experienced engineers.

Management of Lalitha Mahal Palace Hotel

Cabinet Sub-Committee in favour of global tenders

Highest bidder among hotel conglomerates having expertise in running heritage hotels to get control

Mysuru, June 17 (RK&BCT)- The Cabinet Sub-Committee that took up the issue of handing over the management and running of the iconic Lalitha Mahal Palace Hotel to the Taj Group has decided to call for global tenders from hotel conglomerates that have expertise in running heritage hotels, instead of favouring just one hotel chain.

The Tourism Department officers have been asked to prepare a report in this direction and bring the same before the Cabinet for approval.

It was widely speculated in the media that the Cabinet Sub-Committee that was to meet in Bengaluru on June 14 would hand over the maintenance of the Lalitha Mahal Palace Hotel to Taj Group as the Group had come forward to manage the Hotel that is being run at present by State-owned Jungle Lodges and Resorts, a unit of Karnataka State Tourism Development Corporation (KSTDC).

Confirming this to *Star of Mysore* this morning, Tourism Department Director T. Venkatesh said that the Cabinet Sub-Committee met under the leadership of Tourism Minister Anand Singh and Minister of Sericulture, Youth Empowerment and Sports K.C. Narayanagowda on June 14. Others in the meeting included Tourism Secretary N.V. Prasad, Tourism Director T. Venkatesh and representatives from the Finance Department.

"After going through the proceedings, proposals and the present state of the luxury hotel, the Cabinet Sub-Committee decided not to favour any particular luxury hotel chain like the Taj. Instead, a decision was taken to call for global tenders where many other luxury hotel brands can bid. The highest bidder who accepts the conditions of the Government and the bidder who will maintain the heritage status of Lalitha Mahal will be given the control of the hotel for a certain period," Venkatesh said.

"We have to call global tenders as part of the rule and then lease out the properties to the highest bidder. As a matter of policy, the Government cannot favour any one business group (Taj) while handing over a Government enterprise like the Lalitha Mahal Palace Hotel to a private player," he said.

As per norms, Request For Proposals (RFP) or global tenders will be floated and the suitable bidder can get to manage the Lalitha Mahal, he added. The Tourism Department officers will study the project for floating global tenders and then submit a report to the Cabinet.

"Tenders will be an open process where many companies that manage heritage hotels or a hotel conglomerate which has expertise in managing heritage properties can bid. The decision has been taken to achieve transparency," Venkatesh added.

Modi visit: SPG team takes stock of security in Mysuru

Mysuru, June 17 (RK&BCT)- With Prime Minister Narendra Modi scheduled to visit Mysuru on Monday, June 20, a team of the Special Protection Group (SPG), along with top Police officials inspected a few locations where the PM will visit from the moment of his arrival till he departs.

A seven-member team headed by the Additional Inspector General (AIG) of the SPG visited the Mysore Palace along with the top brass of the City and District Police this morning. The names of the officers, however, have not been made public due to security reasons.

The team that arrived today will hold meetings and will give security guidelines at all the venues. Route in-charges will be assigned their duties and high-security cover will be in place in the city during the visit. The team will be in Mysuru till the PM leaves city.

Another team from the SPG comprising 20 members will arrive tomorrow and they will be soon joined by another 20 officers drawn from the SPG and National Security Guard (NSG) Commandos. In all, there will be 47 SPG-NSG officers holding fort in the PM's security blanket apart from the highly professional and armed security men in black outfits who will accompany the PM.

Security meeting

As per the process, three days before the PM's visit (like the one that happened today) the SPG holds a mandatory Advance Security Liaison (ASL) with everyone involved in securing the event, including SPG officials, Intelligence Bureau (IB) officials in the State, State Police officials, and the District Magistrate.

Accordingly, during the visit to the Palace this morning, the SPG team discussed the security aspects with City Police Commissioner Dr. Chandragupta, SP R. Chethan, DCP (Law and Order) Pradeep Gunti, DCP (Crime and Traffic) M.S. Geetha Prasanna, officers from Fire Services Department, food safety officers, MCC, MUDA officers, CESC, Horticulture and PWD officers.

Officials discussed the security of the venue which involves aspects such as entry and exit, frisking of those coming to the venue, and placing of door frame metal detectors. The structural stability of the dais is checked as well. Fire safety of the venue and weather reports and forecast were also audited.

Security chart

An elaborate security chart was brought by the SPG team and the local officers were asked to stick to the details, even the smallest ones, without any deviation in plans.

The team will visit other venues like the Mysore Airport, Hotel Radisson Blu Plaza, Chamundi Hill, Dasara Exhibition Grounds, Maharaja College Grounds and the All India Institute of Speech and Hearing.

Once all the 47 SPG team members land in Mysuru, all the venues that will see the presence of the PM will be taken under control and will be sanitised with the dog squad and bomb squad.

They will conduct anti-sabotage checks and secure the routes the PM will take. A contingency plan will be made in advance in case the weather is bad.

Over 80 Congress leaders and workers held during protest

Mysuru, June 17 (MTY&DM)- Even as the Congress planned to take out a rally from the Town Hall to the Income Tax Office located near Mini Vidhana Soudha in the city this morning, in protest against the Enforcement Directorate's (ED's) questionable action of quizzing and harassment of top Congress leader Rahul Gandhi in connection with *National Herald* case at Delhi, the City Police thwarted the party's attempt to proceed with the rally, by taking the rally leaders and workers into custody.

Just as the rally began from the Town Hall, the Police swung into action and took several Congress leaders including KPCC Working President R. Dhruvanarayan, MLAs Tanveer Sait, Dr. Yathindra Siddharamaiah and Anil Chikkamadu, former MLAs M.K. Somashekar and Vasu, City Congress President R.Murthy, District President Dr. B.J. Vijaykumar and KPCC Women's Wing President Dr. Pushpa Amarnath into custody near the Clock Tower close to Town Hall. Heated exchanges between the Police and Congress leaders led to tension for some time.

Police forcefully stopped the rally and bundled the Congress leaders and workers numbering over 80 into two KSRP vans and took them to CAR grounds, from where they will be let off later.

PM Modi invited to visit AIISH

Mysuru, June 17 (RKB&KS)- In view of Prime Minister Narendra Modi being invited to visit All India Institute of Speech and Hearing (AIISH) during his stay in Mysuru on June 20 and 21, MP Pratap Simha visited AIISH this morning and inspected the yet to be inaugurated new building.

The MP said that the new three-storey building has been constructed at a cost of Rs. 155.50 crore. PM Modi has been urged to visit AIISH campus for at least five minutes to inaugurate the building and a communication from the Prime Minister's Office (PMO) in this regard is awaited.

AIISH Director Dr. M. Pushpavathi and others were present.

My victory will help Congress in forthcoming Assembly polls: Madhu G. Madegowda

Madhu Madegowda

Mysuru, June 17 (MK&DM)- Stating that early campaigning and other preparations helped him in his victory in the Legislative Council Polls from South Graduates Constituency, the newly elected Congress MLC Madhu G. Madegowda said that the Congress victory can catapult the party to victory in the forthcoming Assembly polls.

He was speaking at the felicitation function organised at Congress Bhavan near the City Railway Station here yesterday..

Maintaining that he got a good number of votes from Hassan, which is considered as a JD(S) bastion, Madhu said that the election result goes to show that Hassan will soon turn into a Congress fort. Noting that the Congress party workers relentlessly campaigned for him as a team, he said that the support of seniors like Opposition Leader Siddharamaiah and KPCC President D.K. Shivakumar helped him sail through comfortably.

Making a special mention of rebel JD(S) MLC Marithibbegowda, who openly campaigned for him, Madhu said that he was thankful to all Congress party leaders and workers and as well as MLC Marithibbegowda and rebel JD(S) leader Keelara Jayaram for all the hard work that they did for ensuring his victory.

KPCC Working President and former MP R. Dhruvanarayan said that the party campaigned in an organised and well-structured manner for Madhu Madegowda after he was declared the party candidate a year ago. Complimenting Madhu for his strategy in attracting educated voters, he said that the Congress victory will be a big boost for the party ahead of next year's Assembly polls.

MLA Tanveer Sait, former Ministers Cheluvarayaswamy and P.M. Narendraswamy, former MLAs M.K. Somashekar and Kalale Keshavamurthy, MLC Dr. D. Thimmaiah, City Congress President R. Murthy, District President Dr. B.J. Vijaykumar and other party leaders were present.

I lost because I failed in formulating the right poll strategy : BJP candidate Ravishankar

Ravishankar

Mysuru, June 17 (PM&DM)- Observing that he lost the Legislative Council Polls from South Graduates Constituency because the voters rejected him, BJP candidate M.V. Ravishankar said that he may have failed to formulate the right poll strategy.

Reacting to his second straight loss, Ravishankar said that he is a loyal BJP worker and does not want to blame anyone for his defeat. Asserting that there is no dissension within the party, he said that he lost because the voters rejected him.

Ravishankar had lost to K.T. Srikantegowda of JD(S) in the last polls held in 2016.

When asked whether BJP leaders and Ministers failed to attract Vokkaliga voters who were a sizeable number in the polls, Ravishankar said that he did not grow up in the BJP due to his caste and that he climbed the ladders of the party through sheer hard work and dedication.

Maintaining that contesting polls on caste identity is itself wrong, he said that though he had full confidence that voters would favour him this time, he does not understand where he went wrong.

"There is no question of meeting Party High Command to complain about any leader," he added.

When asked what he would like to say for those who voted him, he said he was thankful to all of them. Though he lost, he would continue to be in touch with the voters and try to address their problems, he said.

'Graduate voters have succeeded in maintaining sanctity of election'

Marithibbegowda

Mysuru, June 17 (SBD&DM)- JD(S) rebel MLC Marithibbegowda, who openly campaigned for Congress candidate Madhu G. Madegowda in the recently held Legislative Council Polls, has said that the educated voters have maintained the sanctity of the polls by electing the Congress candidate.

Addressing a press meet at a private hotel here yesterday, Marithibbegowda said he was happy that Congress candidate was elected by a huge margin.

Thanking the electorate for making the wise choice, he opined that the Graduate voters have also spoken about their mind on the ruling BJP dispensation.

Charging the JD(S) top brass of failing to keep its promise of announcing long time party worker Keelara Jayaram as the party candidate for the polls, Marithibbegowda reiterated that he was happy that the JD(S) candidate H.K. Ramu bit his dust.

Announcing that he would not contest the Legislative Council seat from South Teachers Constituency, which he currently represents, on a JD(S) ticket, Marithibbegowda asserted that as he was elected on a JD(S) ticket he would stay in the party until his term ends.

LC Polls: DC couple draws attention

Mysuru, June 17- The marathon counting of votes in the Legislative Council Polls from South Graduates Constituency that went on for a record 30 hours at the Maharani's Women's Commerce and Management College, drew special attention for the work of DC couple — Mysuru Deputy Commissioner Dr. Bagadi Gautham and his Mandya counterpart and wife Aswathi — who along with Hassan DC Girish and Chamarajanagar DC Charulatha Somal, all being Assistant Returning Officers, in ensuring that the counting process went on continuously and smoothly without any disruptions.

Election Commission's Poll Observer Ponnuraj, a senior IAS Officer from Bengaluru and Mysuru Regional Commissioner Dr. G.C. Prakash, who was the Returning Officer, took the lead, with total support from the DCs of the four districts for ensuring smooth counting and announcement of results. The counting of votes which commenced at 8 am on June 15 concluded after about 30 hours at 2 pm on June16, when the results were officially announced.

PM's visit: State BJP, party cadre upbeat

50,000 beneficiaries from K.R Constituency to be invited for PM's interaction, says MLA Ramdas

KR MLA S.A. Ramdas, KR BJP President Vadivelu, General Secretary Om Srinivas and Prasad Babu seen displaying the invitation and the saplings to be given to the beneficiaries at a press meet yesterday.

Mysuru/Bengaluru, June 17 (KMS,MTY&BCT)- In just a week or so, certain areas in Mysuru have undergone a sea change — craters are filled, roads are freshly asphalted, drains covered, pavements and medians are neat and painted and black-topping has been done. All these in anticipation of Prime Minister Narendra Modi's two-day visit to Mysuru on June 20 and June 21.

The mood is upbeat in the BJP as the PM's visit to Karnataka is expected to provide a shot in the arm for the saffron camp ahead of next year's Assembly elections in the State. With the entire State top leadership of the BJP set to descend here, the party is looking to use the opportunity to further bolster its prospects by organising public meetings with the PM.

The State leadership is keen to capitalise on the PM's visit to add enthusiasm among the party ranks. BJP State leaders believe that the VVIP visit will provide further impetus to their all-out efforts to bring back BJP to power and also win the maximum Lok Sabha seats.

The 2019 Lok Sabha election was a huge landmark for BJP as under Modi's leadership the party won 25 out of 28 seats decimating both Congress and JD(S). With just over nine months remaining for the Assembly election, the party is giving a big push.

Cashing in on Modi's charisma

Also, the State unit that has dented its image in public on various governance and corruption issues is hoping to cash in on Modi's charisma. The PM will be on an inauguration spree and will lay the foundation stone for many projects in Bengaluru.

BJP supporters have been told to line the roads to welcome Modi at various areas in Bengaluru and Mysuru as his cavalcade drives from one area to another. Modi continues to draw large crowds wherever he goes, and the crowds seem to be getting bigger. The party workers recently saw massive crowds in Chennai in Tamil Nadu and Hyderabad in Telangana, when he visited those States. The party is hoping to repeat the same performance in Mysuru and Bengaluru.

The focus of the party will be on the Old Mysore region where the BJP has to be satisfied with a third position after Congress and JD(S). The recent drubbing in the Legislative Council Polls from South Graduates Constituency elections is a setback for the party that was hoping to see candidate M.V. Ravishankar sail through. But Madhu Madegowda of the Congress won.

With the hope to utilise Modi's charisma to virtually begin the party's campaign for the next Assembly elections, the BJP is organising a mega convention of beneficiaries of the PM's welfare programmes. Hundreds of beneficiaries of various schemes of the Centre such as Jan Dhan, Kisan Samman, Fasal Bima Yojana, Mudra Yojana and Jal Jeevan Mission will be brought to the Maharaja's College Grounds where the interaction with the PM will be organised on June 20.

70,000 beneficiaries in Krishnaraja

Meanwhile, addressing a press conference yesterday. Krishnaraja MLA S.A. Ramdas said that the beneficiaries of the Central schemes in his Constituency will be welcome to interact with PM Modi. A sapling and an invitation will be given to them as part of the invite from June 17, he said.

He said that there are over 70,000 beneficiaries of various Central schemes in Krishnaraja Constituency and over 50,000 beneficiaries will come to the event as the invitation has been extended to them, the MLA said. He added that 202 schemes have been introduced in a span of 8 years by the Modi Government.

Beneficiaries of 'Housing for All' in his Constituency under the Pradhan Mantri Awas Yojana will receive letters of sanction from June 17 and the process will be completed in three days, Ramdas added.

To coincide with the PM's visit, Yoga will be introduced in 5,000 households and the benefits of Ayurveda will also be promoted in the Constituency, he added. A ward-level approach will be adopted and the best practices in the ward will be introduced for one year, he said.

WORD OF THE DAY

Panacea

Pronunciation: pan-uh-SEE-uh.
Meaning: A panacea is something that is regarded as a cure-all — that is, a remedy for all ills or difficulties.
Origin: English speakers took panacea from Latin, but as is the case with many Latin borrowings, the word ultimately traces its roots to Greek: panakēs, meaning "all-healing," comes from pan-, meaning "all," and akos, meaning "remedy." The Latin designation Panacea or Panaces was in past centuries awarded to various plants, among them the herb today known as Prunella vulgaris, whose common name is self-heal. In current use, panacea is most often used to decry a remedy that falls far short of what some claim it can do.
Example: "Eventually, EV may reduce global consumption of fossil fuels, but they are not a panacea that will replace fossil fuels." — Michael Mainelli, letter in The Providence (Rhode Island) Journal, 12 Apr. 2022

PHRASE OF THE DAY

Pass the buck

Meaning: To evade responsibility by passing it on to someone else.
Origin: Look up 'buck' in the dictionary and you'll find a couple of dozen assorted nouns, verbs and adjectives. The most common use of the word these days is as the slang term for the American dollar. That's not the buck that's passed here though. Look a little further down and you'll find the definition: an article used in a game of poker, and that's the buck that was first passed. Poker became very popular in America during the second half of the 19th century. Players were highly suspicious of cheating or any form of bias and there's considerable folklore depicting gunslingers in shoot-outs based on accusations of dirty dealing. In order to avoid unfairness the deal changed hands during sessions. The person who was next in line to deal would be given a marker. This was often a knife, and knives often had handles made of buck's horn - hence the marker becoming known as a buck. When the dealer's turn was done he 'passed the buck'. Silver dollars were later used as markers and some have speculated that this is the origin of the use of buck as a slang term for dollar, although there's no real evidence to support that. The earliest citation that one can find of the literal use of the phrase in print is from the Weekly New Mexican, July 1865: They draw at the commissary, and at poker after they have passed the 'buck'.

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

Nrityagiri to present *Guru-Shishya Nrithyollasa*

Mysuru, June 17- Guru-Shishya Parampara (the lineage of Guru-Shishya) and the strong bondage shared between the two is highly traditional and transcendental. To celebrate this bondage and relive the Upanishadvakya – Saha Naavavathu (let us live together), Nrityagiri Academy of Performing Arts & Research Centre, Mysuru, headed by Vidushi Dr. Kripa Phadke has designed a new dance concert series "Guru - Shishya Nrithyollaasa."

It intends to create a meritorious platform for the Guru and her senior disciples who have taken teaching more seriously than performing. The main intention of the concert series is to spread the joy and glory of Indian art forms among the fraternity and cause a culturally strong Bharatham.

Nrityagiri will present "Guru-Shishya Nrithyollaasa" an evening of Bharathanatyam on June18 at 6 pm at Kalamandira on Hunsur Road in city by Guru Vidushi Dr. Kripa Phadke and Vidushi R. Varshini.

Natyacharya Prof. K. Ramamurthy Rao, Director, Nupura Kalavidharu, Mysuru, will be the chief guest. Yaduveer Krishnadatta Chamaraja Wadiyar will preside.
